JOSEPHINE STANTON OPERA CO

The latest operative venture is one out of the ordinary. Josephine Stanton, the young Canadian prima donna, late of the Boston Lyric Company, has been surrounded by a carefully selected company of singers, and will make a tour that is away ahead of any that has been conceived for years. The trip includes Honolulu, Yokohama, Kobe, Tokio, Nagasaki, Vladivostok (Siberia), Shanghai, Hongkong, Manila, Australia and India.

Miss Stanton's career has been a notable one for one so young. In the United States and Canada she is held in high regard and loved by all who have seen her in her different operatic roles. She sings in a clear, firm voice and has a personality that stamps all her work as artistic. She is very well known in this city and is sure to have a good reception.

Matsuo On Trial.
Matsuo, a Japanese, is on trial in the Police Court charged with trying to make his wife lead a life of shame.
F. M. Brooks, his attorney, in speaking for his client, says it is a case of an unfaithful Japanese woman who, wishing to rid herself of her husband, has trumped up a charge against him, being aided by her present protector, Kawakani, who is one of the prosecuting witnesses.
